SUM INSURED

Where We cover You for Loss to Your Motorhome We agree to cover Your Motorhome up to a maximum amount. There are these options that may be available to You depending on Your circumstances:

1. AGREED VALUE: MOTORHOMES UPTO 2 YEARS OF AGE

When You have purchased a brand new Motorhome through a dealership when You purchase or renew Your insurance in the 2 calendar years from the date You purchased Your Motorhome We will agree to insure Your Motorhome for the purchase price paid. However we will only insure Your Motorhome for its purchase price during the 2 year period from the date of purchase. After You have owned Your Motorhome for 2 years the Policy will insure Your Motorhome for its Market Value.

At any time after purchasing this insurance, including at any time when Your Policy insures Your Motorhome for its Market Value, You can contact Us and request that Your Motorhome be insured for an Agreed Value in which case You must provide Us with details of Your requested Sum Insured and We will inform You of the sum we will agree to insure Your Motorhome for, and the additional premium, if any We will require. If You do not insure Your Motorhome for an Agreed Value Your Policy will insure Your Motorhome for its Market Value.

The purchase price and date of purchase of Your Motorhome must be advised to Us at the time of entering into the Policy.

2. AGREED VALUE: MOTORHOME OVER 2 YEARS OF AGE

Where Your Motorhome is older than 2 years of age, when You purchase or renew Your insurance

- if You have owned the Motorhome for less than 2 years, We will insure Your Motorhome for the purchase price paid by You whilst You have owned the Motorhome for less than 2 years and thereafter at the value we have agreed at the start of Your Policy or at any subsequent time to be the Agreed Value Your purchase price of the Motorhome will be the Agreed Value of the Motorhome until it has been owned by You for 2 years and thereafter the Agreed Value shown in Your Certificate of Insurance or endorsement to the Policy and where no amount is shown for the Agreed Value, the Market Value will be the Agreed Value The purchase price and date of purchase must be advised at the time of entering into the Policy.
- If You have owned the Motorhome for more than 2 years, the amount We agree with You to be the Agreed Value which will be shown on Your Certificate of Insurance.

If We cannot agree on the Sum Insured value with You, the Policy We will insure Your Motorhome for its Market Value .

At the end of 2 calendar years from the date You purchased Your Motorhome, the Policy will insure Your Motorhome for it's Market Value.

You can contact Us at any time and request that Your Motorhome be insured for an Agreed Value in which case You must provide Us with details of Your requested Sum Insured and We will inform You of the sum we will agree to insure Your Motorhome for, and any additional premium We will require. Where You do not insure Your Motorhome for an Agreed Value Your Policy will operate on a Market Value basis and Your Motorhome will be insured for its Market Value.

3. MARKET VALUE

If We decide to insure Your Motorhome on a Market Value basis, We will then pay up to the Market Value (as defined on page 39), and in summary the amount to buy a similar Motorhome, taking into account the make, model and age of the Motorhome assessed at the time of the event giving rise to the Loss, or the Sum Insured specified in Your Schedule, whichever is the lesser.

4. REPLACEMENT

If Your Motorhome was purchased new and insured under this Policy and is declared by Us to be a Total Loss Within 2 years (24 months) from date of original registration We will replace your Motorhome with another Motorhome of the same make, model or series, subject to the following conditions:

- Let's Go Motorhome Insurance has been consistently held up to the time of the incident/loss.
- If it is financed, the financier agrees with your Motorhome being replaced.
- The replacement Motorhome must be locally available within 90 days of your Motorhome being declared a Total Loss.
- If we do replace your Motorhome we will also pay for registration, statutory insurance, dealer delivery fees, government stamp duty and the Goods and Services Tax.

Should you not wish to receive a replacement Motorhome or agreement cannot be reached on a new Motorhome we will pay you amount shown on your Policy schedule.

The cover under this benefit will end as soon as one of the following occurs:

- the Policy is cancelled.
- Your Motorhome is no longer covered by the Policy.
- 24 months from the Motorhome's original registration.
- Your Motorhome has been sold.

MOTORHOME TOTAL LOSS

If Your Motorhome is a Total Loss, We will pay You the Sum Insured or replace Your Motorhome. Replacement is subject to conditions, including that a Total Loss occurs within 2 years of the purchase date as a new or demonstrator Motorhome. If We settle Your claim for a Motorhome Total Loss We will not refund any Premium and any outstanding Premium will reduce Your claim amount. Please see pages 19-21 for more details.

OTHER IMPORTANT INFORMATION

Please note in particular the following terms of the Policy:

- We do not cover You for any Loss caused by Flood, a Cyclone, bushfire or grassfire occurring within 72 hours of Your Policy's first inception date (excludes renewals) unless your Policy commenced on the day You bought Your Motorhome or immediately after another Policy covering the same Motorhome expired (not by cancellation) with no break in cover in between.
- We do not cover a Motorhome if it is used for other than Private Use, or if it is Your permanent residence or used as accommodation whilst working away from home.
- The Policy provides no cover to the extent it would be in breach of applicable embargo or sanctions law or regulation.
- The subrogation condition in the Policy Wording requires You must not do anything which reduces any rights of recovery held by You.

3. Applying For Cover

When You apply for this insurance, You will need to complete an application. We will use and rely on the information supplied by You to decide the terms of cover We will provide. If You are not eligible for cover under this insurance, You can seek alternative options by contacting the Insurance Council of Australia (ICA) or the National Insurance Brokers Association (NIBA). If You are not happy with Our reasons as to why You are not eligible for cover, You can lodge a complaint with Us by following the complaints procedure outlined on page 15.

4. About Your Premium

The Premium is the amount You must pay Us for the Policy.

The Premium includes any administration fees, as well as any stamp duty, GST, fire or emergency services levy and any other applicable government charges, taxes or levies. Information on these amounts will be specified in the Schedule.

When You apply We will advise You of the Premium amount, when it is due and how it can be paid. If We agree to issue the Policy We will confirm the amount in the Schedule.

FACTORS THAT AFFECT OUR CALCULATION OF YOUR PREMIUM

In addition to the Sum Insured of Your Motorhome, We also use other factors about You and Your Motorhome to work out Your Premium. These are called Premium factors, and they are summarised in the table below:

PREMIUM FACTOR	MAY LEAD TO A LOWER PREMIUM	MAY LEAD TO A HIGHER PREMIUM
Your insurance and claims history	Zero/limited number of claims	Higher number of claims
Limits and Excesses that apply	Choosing to pay a higher optional Excess	
Value of Your Motorhome and Contents	Lower value	Higher value
The location of Your insured Motorhome	Lower risk location	Higher risk location
Age of the Motorhome	Brand new Motorhome purchase	Older, used Motorhome
Security devices on Motorhome	Anti-theft brakes, engine immobilisers and security alarms	
Safety devices on Motorhome	Fire alarms, smoke alarms, extinguishers and fire blankets	
Optional cover	Choosing to add optional lay up cover (discount applied before applicable government taxes and charges)	Choosing to add windscreen excess cover

The Premium factors We use reflect the likelihood of You making a claim together with other factors related to Our cost of doing business. Each time You renew the Policy Your Premium is likely to change, even if Your personal circumstances have not changed. This is because Premiums are affected by other things such as Our expenses of doing business and changes in Our claims experience.

PAYING YOUR PREMIUM

You must pay the Premium in full by the due date. If We do not receive Your Premium by this date or Your payment is dishonoured, We may be entitled to reduce or refuse to pay a claim and/or cancel the Policy, in accordance with the law. We may also reduce the amount We pay by the amount of outstanding Premium.

5. About Your Excess

An Excess is the amount You need to pay or bear towards a claim under the Policy. The Excess(es) applicable to Your cover will be specified in the Schedule. There is a basic Excess which applies to all claims under the Policy (other than claims for certain additional benefits only) and other Excesses (as may be applicable to Your Policy) set out on page 33.

6. Your Duty to Take Reasonable Care Not to Make a Misrepresentation

This is a consumer insurance contract under the Insurance Contracts Act 1984 (Cth).

Under the Insurance Contracts Act 1984 (Cth) You have a duty to take reasonable care not to make a misrepresentation to Us. This duty applies when You enter into, renew, extend or vary this contract of insurance.

Before You enter into, renew, extend or vary this contract of insurance We will ask You questions that are relevant to Our decision to insure You and on what terms. When You answer the questions You must not give a false or misleading account of matters. Your response should tell Us everything that You know about the question. Your response is relevant to whether We offer You insurance and the terms that are offered.

It is important You understand You are answering Our questions in this way for yourself and anyone else that You want to be covered by the contract.

A misrepresentation made fraudulently is made in breach of the duty to take reasonable care not to make a misrepresentation.

CONSEQUENCES OF FAILURE TO TAKE REASONABLE CARE NOT TO MAKE A MISREPRESENTATION

If You do not take reasonable care not to make a misrepresentation to Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to take reasonable care not to make a misrepresentation to Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

CIRCUMSTANCES RELEVANT TO YOUR DUTY

Whether or not You have taken reasonable care not to make a misrepresentation is to be determined with regard to all the relevant circumstances.

If We know, or ought to know about Your particular characteristics or circumstances, these characteristics or circumstances are taken into account in determining whether You have taken reasonable care not to make a misrepresentation to Us.

Under the Insurance Contracts Act 1984 (Cth) the following matters may be taken into account in determining whether You have taken reasonable care not to make a misrepresentation:

- (a) the type of consumer insurance contract in question, and its target market;
- (b) explanatory material or publicity produced or authorised by Us;
- (c) how clear, and how specific, the questions We asked were;
- (d) how clearly We communicated to You the importance of answering those questions and the possible consequences of failing to do so;

- (e) whether or not an agent/insurance broker was acting for You;
- (f) whether the contract was a new contract or was being renewed, extended, varied or reinstated.

You are not to be taken to have made a misrepresentation merely because You:

- (g) failed to answer a question; or
- (h) gave an obviously incomplete or irrelevant answer to a question.

7. Alteration of Risk

You must tell Us as soon as possible if circumstances, changes or alterations occur or are intended or made which may increase Our risk under the Policy, including (but not limited to) the risk of Loss or legal liability, and details of any:

- conversion or modification to Your Motorhome made by someone other than the manufacturer; or
- change in the use of Your Motorhome.

If We agree to the change, We will do so in writing and You must pay Us any additional Premium We may require.

8. More Than One Named Insured

If more than one person is insured under the Policy, a failure or wrongful action by one of those persons may adversely affect the rights of the other person(s) insured under the Policy.

This includes policies where We insure Your Motorhome in the name of more than one person, in which case each person is a joint policyholder and is able to make changes to the Policy that We agree to. In the case of joint policyholders, We will treat a statement, act, omission, and claim or request to alter or cancel Your Policy made by one as coming from all of those named as insured.

9. Making A Claim

We understand that it can be very stressful if You need to make a claim. Our claims team will be there to help You with advice and assistance when You need it most. NM Insurance has been appointed by your Insurer to administer and settle claims within the binder authority. NM Insurance's handling of Your Claim will be in accordance with the requirements set out under the General Insurance Code of Practice (see below). You should contact Us to make a claim.

10. General Insurance Code of Practice

The objectives of the Code are:

DISTRIBUTION OF THIS INSURANCE

Pursuant to ASIC Corporations (Basic Deposit and General Insurance Product Distribution) Instrument 2015/682, certain persons, including selected caravan and motorhome dealers, have been authorised by NM Insurance as general insurance distributors to deal in this insurance on its behalf.

These persons are not authorised to provide any advice on this insurance and have no binding authority to enter into any Policy or settle any claim or otherwise act on behalf of Us.

DISTRIBUTORS’ REMUNERATION

Authorised representatives and distributors receive a commission whenever You enter into a Policy arranged by them (including renewals and some variations which increase the premium payable). The Association and Insurance Advisernet also receive a commission in these circumstances. The commission excludes GST and is a percentage of the insurer’s base Premium (i.e. Premium excluding the amounts included by the insurer in relation to applicable stamp duty, fire or emergency service levy, GST or any other government charges, taxes, fees or levies). The commission is included as part of Your Premium.

HOW NM INSURANCE IS REMUNERATED FOR THE SERVICES PROVIDED

NM Insurance also receives a commission whenever You enter into a Policy (including renewals and some variations which increase the Premium payable).

The insurer may also advance NM Insurance other money in the period to cover marketing and other costs and expenses which is agreed on a case by case basis.

For services in administering this insurance, NM Insurance may be paid a profit share amount in relation to all Motorhome Insurance policies entered into in each annual period. The amount NM Insurance can receive is a percentage of the net profit amount (if any) which is determined by the insurer and is based on the total Premium excluding certain costs, expenses, fees and liabilities in relation to the policies (e.g. taxes and charges on the Policy, reinsurance costs, claims payments, commission paid and administrative costs) over a 12 month period. If there is no net profit in the annual period, NM Insurance receives no profit share. Any profit share amount is paid 3 months after the annual period ends.

NM Insurance will also charge You a fee, which varies depending on the dealing service it provides You with. The fee is paid in addition to the Premium and is specified in the Schedule.

NM Insurance's staff receives an annual salary that may include bonuses based on performance criteria (which can include sales performance) and the achievement of company goals.

REMUNERATION PAYABLE TO REFERRERS

NM Insurance will in some cases pay a pre-agreed fee and/or a commission which is a percentage of the Premium, to persons who refer You to it if You buy the insurance.

The amount paid will depend on the person who refers You and their level of involvement in the transaction.

FURTHER INFORMATION ABOUT REMUNERATION

If You would like more details about the remuneration (including commission) or other benefits NM Insurance, its distributors or referrers receive, please ask for it within a reasonable time after You receive this document and before We (or anyone else identified in the PDS or this statement) provide any financial service to You.

18. Important Information

GOODS AND SERVICES TAX (GST)

Any claim payments made under this insurance will be based on GST inclusive costs, up to the relevant Sum Insured, Market Value or Agreed Value or maximum amount that We pay as these amounts specified are GST inclusive amounts. However, if You are or would be entitled to claim any input tax credit for the repair or replacement of the insured property or for other things covered, We will reduce any payment for a claim under the Policy by the amount of such input tax credit. You must advise Us of Your correct input tax credit percentage where You are registered for GST. You are liable to Us for any GST liability We incur arising from Your any incorrect advice concerning or omission to tell Us about, your GST registration or entitlement to input tax credits.

ASSIGNMENT

You must not assign the Policy, or any rights under the Policy, without Our prior written consent.

CURRENCY

All amounts shown are in Australian dollars. If costs are incurred in a foreign currency, then the rate of currency exchange used to calculate the amount to be paid will be the rate of exchange published in the Australian Financial Review on the date the costs are incurred or the Loss is sustained, or the accident giving rise to liability occurs. All claims will be paid in Australian dollars.

OTHER INSURANCE

If You make a claim You must advise Us of any other insurance policies that may be available to pay or partially pay that claim. If You are entitled to claim under another policy for the same event that can be claimed under the Policy, to the extent permitted by law, We may refuse to pay under this Policy to the extent You are covered under the other insurance.

GOVERNING LAW AND JURISDICTION

The Policy is governed by the laws of Australia. Any dispute relating to the Policy shall be submitted to the exclusive jurisdiction of an Australian court within the State or Territory in which the Policy was issued.

SUBROGATION

We may exercise any rights of recovery held by You to the extent of any payment We make under the Policy. You must not do anything which reduces, and must provide reasonable assistance to Us in pursuing, any such rights. Subrogation will be governed in accordance with section 67 of the Insurance Contracts Act 1984 (Cth). In relation to any claim under the Policy, You must not admit fault and must not offer or promise to pay any amount or become involved in litigation without Our approval.

19. Making a Claim

If Your Motorhome is involved in an accident, please do not discuss responsibility and please avoid any discussions with witnesses or anyone else involved in the accident about who was responsible.

Please also contact the police as required by law:

- Where reasonably possible to do so immediately if:
 - there are injuries as a result of the accident; or
 - any driver involved is under the influence of alcohol or any drugs; or
- within 24 hours of the incident if there is any Loss involving malicious damage, theft or attempted theft of Your Motorhome, Trailer or Contents.

If You are in doubt, please call the police. We may require a written statement from the police confirming the report. Please also obtain the other party/ies' details – You must give Us, where reasonably possible to do so the following where another vehicle is involved:

- name, current address and driving licence number of the other driver(s),
- the registration number of the other vehicle, a general description of it along with a description of the damage to their vehicle,

CONTACT US

Please contact Us as soon as possible after the Loss on 1300 119 574. We will explain Your next steps and may arrange to have Your Motorhome removed and taken to the nearest repairer if it cannot be operated. Any delay in notifying Us of a Loss may prejudice Your claim.

DAMAGED OR STOLEN PROPERTY

You must retain where reasonably possible any:

- damaged property, or
- stolen and recovered property, and let Us inspect them if We need to.

In the event of a claim, We take over Your legal right to damaged property and to recover the property insured.

EVIDENCE

When making a claim, You must provide Us (if We request), where reasonably possible, with evidence to reasonably substantiate value and ownership, or We may reduce or refuse Your claim. This may include:

- proof of purchase, including sales receipts, credit card or bank statements showing the purchase transaction details. The proof of purchase may include the item description or code, purchase price, date purchased and purchase location;
- professional valuations;
- service or maintenance records;

20. Renewing Your Policy

We will send You or Your nominated agent a renewal notice at least 14 days before the Policy expiry date notifying You whether We intend to offer renewal and if so on what terms.

It is important that You check the terms of any renewal offer before renewing to satisfy yourself that the details are correct. If We offer renewal You must comply with Your Duty to Take Reasonable Care Not to Make a Misrepresentation (see above). In particular (without limitation), please also check the Sums Insured and any applicable Excess(es) to ensure the levels of cover are appropriate for You.

Please ensure that you contact Us prior to the renewal to advise Us whether You wish to renew Your Policy and, if You wish to renew, to pay the applicable renewal Premium.

This PDS also applies for any offer of renewal, unless We tell You otherwise.

21. Confirming Transactions

You may contact Us in writing or by phone to confirm any transactions under Your insurance if You or Your nominated agent does not already have the required Policy confirmation details.

22. Cancelling Your Policy

You can cancel the Policy at any time by calling Us. We will explain the cancellation process to You.

We can cancel Your insurance to the extent permitted by law, for example if You do not comply with the Policy terms and conditions, fail to pay Your Premium, make a fraudulent claim or if You did not comply with Your Duty to Take Reasonable Care Not to Make a Misrepresentation when You entered into the Policy. If We cancel the Policy We will send you a cancellation letter in accordance with the Insurance Contracts Act 1984 (Cth).

We will refund any Premium You have paid, less an amount that covers the Period of Insurance, and any government or statutory government fees, taxes or duties We are unable to recover, unless We have paid a claim in which case there is no Premium refund.
