SUM INSURED

When We issue cover under Section 1, We agree to cover Your Caravan up to a certain maximum amount. The Agreed Value is Your Sum Insured.

There are two options that may be available to You depending on Your circumstances:

1. AGREED VALUE: CARAVANS UPTO 3 YEARS OF AGE

When You have purchased Your brand new Caravan through a caravan dealership We agree to insure Your Caravan for the purchase price paid for 3 calendar years from the date You purchased Your Caravan. The purchase price and date of purchase must be advised to Us at the time of entering into the Policy. At the end of 3 calendar years from the date You purchased Your Caravan the Agreed Value will depreciate each time You renew the Policy.

2. AGREED VALUE: CARAVANS OVER 3 YEARS OF AGE

If Your Caravan is more than 3 years of age, We will agree to insure it for an Agreed Value that fairly reflects its market value at the time You purchase the Policy having regard to its type, age and condition.

You are responsible for deciding the amount of the Agreed Value to apply for and for ensuring that this level of cover is appropriate for You. If You are unsure, consider seeking advice from a professional dealer who specialises in selling caravans.

CARAVAN TOTAL LOSS

If Your Caravan is a Total Loss, We will at Our option replace Your Caravan, pay You the reasonable cost of replacing Your Caravan (less any depreciation and/or contribution that may apply) or pay You the Sum Insured. Replacement is subject to conditions, including that a Total Loss occurs within 3 years of the purchase date as a new or demonstrator caravan. Please see page 6 for more details.

FLOOD, CYCLONE, BUSHFIRE AND GRASSFIRE EXCLUSION – NEW POLICIES

We do not cover You for any Loss caused by Flood, a Cyclone, bushfire or grassfire occurring within 72 hours of Your Policy's first inception date (excludes renewals), unless Your Policy commenced on the day You bought Your Caravan or immediately after another Policy covering the same caravan expired (not by cancellation) with no break in cover in between.

Applying For Cover

When You apply for this insurance, We will use and rely on the information supplied by You to decide the terms of cover We will provide. If You are not eligible for cover under this insurance, then You can see if there are alternative options by contacting either the National Insurance Brokers Association or the Insurance Council of Australia. If You are not happy with Our reasons as to why You are not eligible for cover, You can lodge a complaint with Us by following the complaints procedure outlined in this PDS.

About Your Premium

Your premium is the amount You agree to pay Us for the Policy.

The total amount payable includes any administration fee payable to NM Insurance, as well as any stamp duty, GST, fire services levy (FSL) and any other government charges, taxes or levies We are responsible for. Information on these amounts will be shown on Your Schedule.

When You apply We will advise You of the Premium and other charges payable as well as when and how it can be paid.

HOW DO WE CALCULATE PREMIUMS?

In addition to the Sum Insured of Your Caravan, We also use other factors about You and Your Caravan to work out Your premium.

These are called premium factors, and they include:

Premium Factor	May lead to a lower Premium	May lead to a higher Premium
Your insurance and claims history	Zero/limited number of claims	Higher number of claims
Limits and Excesses that apply	Choosing to pay a higher optional Excess	Choosing to pay a lower Excess if applicable
Value of Your Caravan and Contents	Lower value	Higher value
The location of Your Caravan	Lower risk location	Higher risk location
Age of the Caravan	Brand new caravan purchase	Older, used caravan
Optional cover	Choosing to add optional lay up cover (discount applied before applicable government taxes and charges)	Adding Hire out cover

The premium factors We use reflect the likelihood of You making a claim together with other factors related to Our cost of doing business.

Each time You renew the Policy Your premium is likely to change, even if Your personal circumstances have not changed. This is because premiums are affected by other things such as Our expenses of doing business and changes in Our claims experience.

In addition to the factors We use to calculate Your premium, the discounts You may qualify for also affect Your premium. Your premium includes any discounts You qualify for. Discounts are applied before adding applicable administration fees, government taxes and charges. Minimum premiums may also apply which could reduce any entitlement You may have to any discount.

PAYING YOUR PREMIUM

You must pay the premium in full by the due date. If We do not receive Your premium by this date We may cancel Your Policy in accordance with the Insurance Contracts Act 1984 (Cth). If You have made a claim We may also reduce the amount We pay by the amount of the outstanding Premium to the extent permitted by law.

Excesses

An Excess is the amount You need to pay or bear towards a claim under the Policy. The Excess(es) applicable to Your cover will be shown in Your Schedule. There is a basic Excess which applies to all claims under the Policy and other Excesses (as may be applicable to Your Policy) are described on pages 38-39.

Your Duty to Take Reasonable Care Not to Make a Misrepresentation

This is a consumer insurance contract under the Insurance Contracts Act 1984 (Cth).

Under the Insurance Contracts Act 1984 (Cth) You have a duty to take reasonable care not to make a misrepresentation to Us. This duty applies when You enter into, renew, extend or vary this contract of insurance.

Before You enter into, renew, extend or vary this contract of insurance We will ask You questions that are relevant to Our decision to insure You and on what terms. When You answer the questions You must not give a false or misleading account of matters. Your response should tell Us everything that You know about the question. Your response is relevant to whether We offer You insurance and the terms that are offered.

It is important You understand You are answering Our questions in this way for yourself and anyone else that You want to be covered by the contract.

A misrepresentation made fraudulently is made in breach of the duty to take reasonable care not to make a misrepresentation.

CONSEQUENCES OF FAILURE TO TAKE REASONABLE CARE NOT TO MAKE A MISREPRESENTATION

If You do not take reasonable care not to make a misrepresentation to Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to take reasonable care not to make a misrepresentation to Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed to the extent permitted by law.

CIRCUMSTANCES RELEVANT TO YOUR DUTY

Whether or not You have taken reasonable care not to make a misrepresentation is to be determined with regard to all the relevant circumstances.

If We know, or ought to know about Your particular characteristics or circumstances, these characteristics or circumstances are taken into account in determining whether You have taken reasonable care not to make a misrepresentation to Us.

Under the Insurance Contracts Act 1984 (Cth) the following matters may be taken into account in determining whether You have taken reasonable care not to make a misrepresentation:

- (a) the type of consumer insurance contract in question, and its target market;
- (b) explanatory material or publicity produced or authorised by Us;
- (c) how clear, and how specific, the questions We asked were;
- (d) how clearly We communicated to You the importance of answering those questions and the possible consequences of failing to do so;
- (e) whether or not an agent/insurance broker was acting for You;
- (f) whether the contract was a new contract or was being renewed, extended, varied or reinstated.

You are not to be taken to have made a misrepresentation merely because You:

- (g) failed to answer a question; or
- (h) gave an obviously incomplete or irrelevant answer to a question.

Change Of Risk

You must notify Us in writing as soon as possible of any material change in the risk covered by the Policy.

We may require You to pay an additional premium, which will be assessed according to the material change and any increased risk to any liability insured by the Policy.

A material change includes, but is not limited to:

- Your Caravan is converted or modified by someone other than the manufacturer;
- there is a material change in the use of Your Caravan;
- You start to reside in Your Caravan;
- Your Caravan is street parked on an ongoing basis;
- You or anyone who regularly drives Your Caravan has their drivers licence suspended, disqualified or cancelled;
- You or anyone who regularly drives Your Caravan is convicted of a criminal offence (other than a driving offence);
- there is a change in the place where Your Caravan is stored;
- there is a material change in the value of Your Contents;
- there is a change in the registration status of Your Caravan; or
- there is a change to any period of lay up You have selected.

If You fail to comply with this condition, We may to the extent permitted by law:

- (a) refuse a claim;
- (b) reduce Our liability to pay a claim by an amount that fairly represents the extent to which Our interests are prejudiced by the failure to comply; or
- (c) cancel the Policy.

More Than One Named Insured

If more than one person is insured under the Policy, a failure or wrongful act by one of those persons may adversely affect the rights of the other person(s) insured under the Policy.

This includes policies where We insure Your Caravan in the name of more than one person, in which case each person is a joint policyholder and is able to make changes to the Policy that We agree to.

Additional Important Information

The information in this section is designed to assist You in deciding whether to use any of the services provided by NM Insurance, its authorised representatives or distributors. It provides You with information about the financial services that may be provided by them and contains information about remuneration that may be paid to them.

DISTRIBUTION OF THIS INSURANCE

Pursuant to ASIC Corporations (Basic Deposit and General Insurance Product Distribution) Instrument 2015/682, certain persons including selected dealers and finance brokers, have been authorised by NM Insurance as general insurance distributors to deal in this insurance on its behalf.

These persons are not authorised to provide any advice on this insurance and have no binding authority to enter into any Policy or settle any claim or otherwise any act on behalf of the insurer.

DISTRIBUTORS' REMUNERATION

Distributors receive a commission whenever You enter into a Policy arranged by them (including renewals and some variations which increase the premium payable). The Association and Insurance Advisernet also receives a commission in these circumstances. The commission excludes GST and is a percentage of the insurer's base premium (i.e. premium excluding any applicable administration fee and any amounts included by the insurer in relation to stamp duty, fire service levy, GST or any other government charges, taxes, fees or levies). The commission is included in the premium You pay.

REMUNERATION PAYABLE TO REFERRERS

NM Insurance will pay commission to certain people and organisations if they refer You to NM Insurance and You subsequently buy (and in some cases renew or vary) this insurance.

The commission excludes GST and is a percentage of base premium (i.e. premium excluding any applicable administration fee and any amounts relating to stamp duty, fire service levy, GST or any other government charges, taxes, fees or levies). The commission is included in the premium You pay.

HOW NM INSURANCE IS REMUNERATED FOR THE SERVICES PROVIDED

NM Insurance also receives a commission whenever You enter into a Policy (including renewals and some variations which increase the premium payable). The insurer may also advance NM Insurance other money in the period to cover marketing and other costs and expenses which is agreed on a case by case basis.

For services in administering this insurance, NM Insurance may be paid a profit share amount in relation to all policies entered into in each annual period. The amount NM Insurance can receive is a percentage of the net profit amount (if any) which is determined by the insurer and is based on the total premium excluding certain costs, expenses, fees and liabilities in relation to the policies (e.g. taxes and charges on policies, reinsurance costs, claims payments, commission paid and administrative costs) over a 12 month period.

If there is no net profit in the annual period, NM Insurance receives no profit share. Any profit share amount is paid 3 months after the annual period ends.

NM Insurance may also charge You an administration fee when You buy, vary or renew Your Policy. The fee is paid in addition to the premium and is specified in Your Schedule.

NM Insurance's staff receives an annual salary that may include bonuses based on performance criteria (which can include sales performance) and the achievement of company goals.

Section 1 – Settlement Of Claims

A) CONTENTS

If We agree to pay a claim under A) Contents, We will at Our option:

- repair or replace the item of Contents. In doing so, We will try to match parts or material used in the original item, but reserve the right to use an equivalent/similar part or material if it is not practicable to do so; or
- pay You the lesser of:
 - the reasonable cost for Us or You, to repair or replace the item of Contents;
 - the applicable limit(s) of cover; or
- If the item of Contents:
 - is more than 5 years old; and
 - cannot be Economically Repaired, pay You the Depreciated Value.

Where the item of Contents the subject of a valid claim is part of a set or collection We will only pay in respect of, or replace that item, not the entire set.

If We pay the costs of replacing Your Contents, any Damaged or recovered Contents become Our property.

B) CARAVAN

CLAIMS FOR PARTIAL LOSS

If We agree to pay a claim for Partial Loss of Your Caravan, We will at Our option:

- repair Your Caravan, or any part thereof. Any parts used in the repair will be new or consistent with the age and condition of Your Caravan. In doing so, We will try to match materials used in the original, but reserve the right to use equivalent/similar materials if this is not possible. We will not pay for matching materials to achieve a uniform effect; or
- replace any part of Your Caravan; or
- pay You the lesser of:
 - the reasonable cost for Us or You, to repair or replace Your Caravan or Annexe, or any part thereof according to the quote from the repairer You choose with any reasonable adjustments made by Our assessor for example (without limitation) to take into account the age and condition of Your Caravan or Annexe (as relevant) immediately prior to the Loss; or
 - the relevant Sum Insured of Your Caravan and/or Annexe.

A valid claim for Partial Loss of Your Caravan does not reduce Your Sum Insured for any future claims.

Any repairs to Your Caravan that We arrange under a claim are guaranteed by Us against any defect due to workmanship or faulty material for the life of Your Caravan provided You still own it.

We will not pay for any:

1. undamaged panel, sheeting, internal or external cladding which cannot be matched to the replacement material; or
2. repair or replacement that results in an improvement of Your Caravan's condition from its condition immediately prior to the Loss. If this occurs, We may require You to contribute to the repair cost and in doing so will always explain why, tell You the cost amount and give You payment instructions.

RESTRICTIONS ON REPLACEMENT

If We choose to replace parts, accessories or awnings and they are not readily available in Australia, We will at Our option pay:

- the last list price of these items in Australia; or
- the cost of similar comparable items,

plus the reasonable cost of fitting.

Where an item the subject of a valid claim forms part of a set, We will only pay in respect of the replacement value of that item, not the entire set.

REPAIRER PROCEDURE

If We approve a claim for Partial Loss to Your Caravan and We choose to repair it, You may obtain a repair quote from any licensed repairer. We reserve the right to request a second quote and/or move Your Caravan to another repairer acceptable to both of Us.

Our assessor will review the quote(s) and We will authorise any repairs to Your Caravan that are reasonably required. You are not permitted to authorise the repair of Your Caravan or any part of it unless You obtain Our prior consent (not to be unreasonably withheld). A repairer We authorise may sub-contract some of the repairs if necessary e.g. if a specialised repairer is required to do the repairs.

CARAVAN TOTAL LOSS

If We agree to pay a claim for Total Loss of Your Caravan (including if We decide Your Caravan cannot be Economically Repaired) You may select either option a) Replacement or b) Sum Insured below (subject to the criteria and limitations stated below).

- Your Policy is cancelled.

- if there is any balance of the applicable Sum Insured following payment of the finance amount – that balance to You (or if Your Caravan is not financed, pay You the Sum Insured) less any applicable Excess.

CONSEQUENCES OF A CARAVAN TOTAL LOSS

Your Policy ends when a Total Loss claim is settled. You are not entitled to any premium refund.

If We pay for a Total Loss of Your Caravan, Your Caravan or its wreck becomes Our property, however We will give You the first choice to buy it back at a price established by a salvage company or auction that You and We agree to.

If You do buy Your Caravan or its wreck back in accordance with this clause We will pay to move Your Caravan to Your Home or another place of Your choice, up to a maximum of \$1,000.
